

# NORDIC KNOTS

Art Deco 1

Inspired by the geometric architecture and rich colors of the Swedish Grace era. A significant Scandinavian design movement that drew inspiration from neoclassicism and art deco.

Much like the iconic architecture of that time, the new rugs play with shapes — breaking the convention of the symmetrical and rectangular rug. The two Art Deco rugs are hand-knotted in complementary, deep colors to create a fine and abstract pattern with lots of detail and beautiful imperfections.
