

NORDIC KNOTS

Monolith 01 - Dusty White

Monolith is drawn from the silhouettes of a 1400 year old mystical monument — 59 boulders raised on the rolling fields next to the Baltic Sea in the southern tip of Skåne. These age-old silhouettes, placed against the blue Scandinavian sky convey a sense of timelessness.

The rugs have a shaggy and textured wool weave. The colours are inspired by the charcoal stones, the surrounding dusty fields and the teal blue coloured ocean.
