

NORDIC KNOTS

Boho - Cream Mix

A bohemian minimalist design, where ancient textures meet modern lines. Textured to the eye, yet soft to touch. The geometric pattern is inspired by the limestone steps of the grand stairs to historic Stockholm buildings.

With an all-natural, undyed European wool, no color has been used to create the pattern. Instead contrast is achieved by combining a flat-woven canvas with a plush hand-knotted pile. Knot-by-knot the rugs are made slowly — the artisan way — making the minimalist design durable to last over time with a beautifully raw bohemian aesthetic.
