

NORDIC KNOTS

Wool Throw El Rey - Red/Cream

Oversized wool throw made with our high quality wool and timeless design. For comfort that lasts. Size: 53" x 83". When renovating the lobby and guest rooms of El Rey Court in Santa Fe, New Mexico, Jay Carroll came across Nordic Knots. The rugs' minimal patterns and colors felt perfectly at home with El Rey's updated modern design set to the adobe architecture of the buildings. The rugs really tied the rooms together. To further that perfect pairing, the two brands partnered up on a collaboration using one of the guest room murals as the graphic pattern for a beautiful Nordic Knots handwoven Wool Blanket.
