

NORDIC KNOTS

Grid - Dusty White/Cream

A minimalist collection that references one of the foundational principles of design — the use of a grid to achieve balance and harmony, to guide composition, proportion, and space. From Da Vinci creating the Golden Ratio to the architect's blueprint, the grid is present in the background to help create the most beautiful expressions. The Grid Collection was created to do the same — be the foundation to the most beautiful homes. A plush cut-pile design made with New Zealand wool for great quality and soft feel. The Grid Collection is handmade in small batches. Only **a few in each size** are available.
